SELF CARE- Please Take Care of Yourself

CUIDADO PERSONAL- Por Favor Cuidense

What's your
self-care today?

Something adult-y and not fun.	Yoga, meditation, or something zen.	Physical activity or gym time.	Resting + catching up on sleep.
Pausing & taking a break.	Catching up on house-work.	Unplugging from social media.	Something warm and comforting.
Making yourself feel better.	Getting out of the house.	Taking your meds or vitamins.	Connecting with your support system.
Time to yourself.	Cuddling a soft furry creature.	Tea, books, or writing.	Time being creative.

Dear Families,

We are so excited to welcome you back into our school building! As we begin this new school year, the health and safety of all students and staff remains our top concern. That's why many things in our school buildings will look different this year, from face masks to physical distancing in every classroom to disinfecting every school, every night. We are taking all of these steps to ensure that our schools remain safe, our students and staff stay healthy, and that you feel confident sending your children for in-person learning.

Dear Families,

Estamos muy contentos de darle la bienvenida a la escuela. Al comenzar este nuevo año escolar, la salud y seguridad de los estudiantes y el personal sigue siendo nuestra máxima prioridad. Por eso, muchas cosas en nuestras escuelas serán diferentes este año, como, por ejemplo, el uso de mascarillas, el distanciamiento físico en cada salón de clases y la desinfección de los edificios todas las noches, entre otras. Tomamos todas estas medidas para que las escuelas permanezcan seguras, para que los estudiantes y el personal se mantengan sanos y para que usted se sienta seguro cuando su hijo asiste a clases en persona.

Accountability Partner
**Socia(o) de rendición de
cuentas**

By meeting with **accountability partners**, **students** are able to assess their progress toward a goal and make adjustments to make sure they stay on track to meet their goal. ... You are almost twice as likely to reach a goal by having an **accountability partner** as opposed to just deciding to do something alone.

Student Actions

- Share data/goals with accountability partners
- Discuss weekly goals and progress towards their goals
- Challenge each other whenever possible
- Complete daily check-ins to see how they are doing. (both academically and in general)

Al reunirse con socio(a) de responsabilidad, los estudiantes pueden evaluar su progreso hacia una meta y hacer ajustes para asegurarse de que se mantengan en el camino correcto para alcanzar su meta. Esto también les da propiedad sobre su crecimiento.

Acciones de los estudiantes

- Compartir datos / objetivos con socios responsables
- Discutir los objetivos semanales y el progreso hacia sus objetivos.
- Desafíos siempre que sea posible
- Completar registros diarios para ver cómo les va. (tanto académicamente como en general)

Engagement vs. Interaction

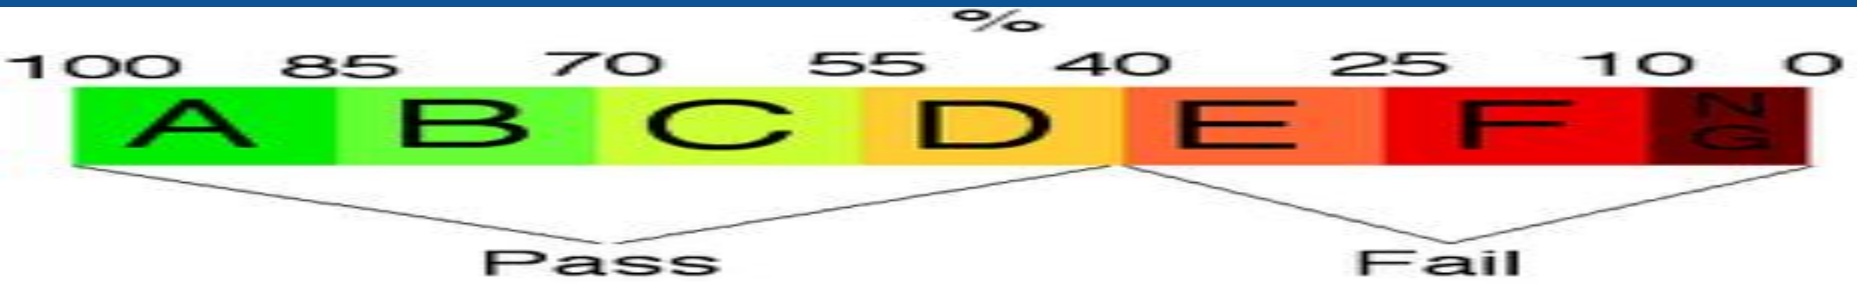

Compromiso vs interacción

Attendance

Engagement

- Attendance will be used as a measure of student **engagement** and instructional time in remote and in-person learning settings.
- Schools will use the daily attendance values of P=Present and A=Absent for in-class attendance and O=Present and M=Absent for remote attendance.
- The definition of “engagement” will be defined as:
 - **In Person:** Student is physically present in the classroom / school learning environment for instruction during the scheduled school day.
 - **Remote:** Student is virtually present in a virtual learning environment for synchronous instruction during the scheduled school day and participates in class.

Asistencia

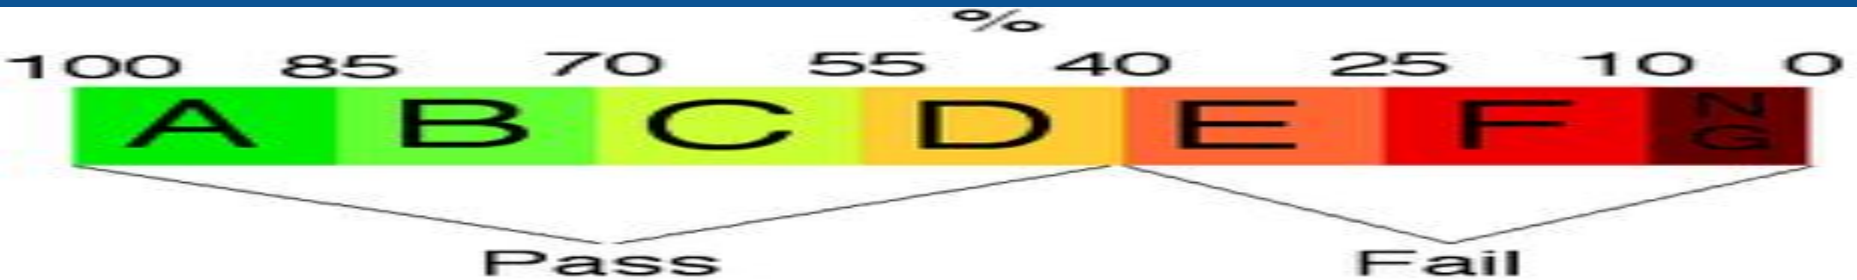

Compromiso

- La asistencia se utilizará como una medida de la participación de los estudiantes y el tiempo de instrucción en entornos de aprendizaje remotos y en persona.
- Las escuelas usarán los valores de asistencia diaria de P = Presente y A = Ausente para en clase.
- asistencia y O = Presente y M = Ausente para asistencia remota.
- La definición de "compromiso" se definirá como:
 - **En persona:** el estudiante está físicamente presente en el aula / ambiente de aprendizaje de la escuela para recibir instrucción durante el día escolar programado.
 - **Remoto:** el estudiante está virtualmente presente en un entorno de aprendizaje virtual para la instrucción sincrónica durante el día escolar programado y participa en la clase.

Attendance

Interaction

- Attendance will be used as a measure of student **interaction by the interaction team and by Jupiter Grades.**
- Schools will use the daily attendance values of O=Present and M=Absent for interaction attendance.
- The definition of “**Interaction**” will be defined as:
 - **Remote Students:** Student spoke to the interaction team member and/or logged onto Jupiter Grades in each of his/her subject for a minute. Once student remains on Jupiter Grades for a minute their attendance is captured.

Asistencia

Interacción

- La asistencia será utilizada como una medida de la interacción de los estudiantes por el equipo de interacción y por Jupiter Grades.
- Las escuelas usarán los valores de asistencia diaria de O = Presente y M = Ausente para la asistencia de interacción.
- La definición de "Interacción" se definirá como:
 - **Estudiantes remotos: el estudiante habló con el miembro del equipo de interacción y / o inició sesión en Jupiter Grades en cada una de sus materias durante un minuto. Una vez que el estudiante permanece en Jupiter Grades por un minuto, se captura su asistencia.**

Red Ribbon Week

Drug-Free America

Red Ribbon Week will be celebrated virtually October 23-30, 2020.

What is Red Ribbon Week? It's a week-long drug awareness celebration. We will present videos on different substances, and the dangers of drug use. We'll also recite our Drug Free Pledge. We want our students to know the realities of drug use and to make a commitment to themselves to stay Drug Free.

Red Ribbon was started in response to the death of Drug Enforcement Agent Enrique (Kiki) Camarena.

Drug-Free America

La Semana del Listón Rojo se celebrará virtualmente del 23 al 30 de octubre de 2020. ¿Qué es la Semana del Listón Rojo? Es una celebración de una semana de concientización sobre las drogas. Presentaremos videos sobre diferentes sustancias y los peligros del consumo de drogas. También recitaremos nuestro Compromiso Libre de Drogas. Queremos que nuestros estudiantes conozcan las realidades del uso de drogas y se comprometan a mantenerse libres de drogas. Red Ribbon se inició en respuesta a la muerte del agente antidrogas Enrique (Kiki) Camarena.
